Hamilton, ON L8N1N6 | +1 (431) 778-5436 | nythonore@gmail.com

Summary

A highly skilled and experienced frontend developer with a strong background in building modern, responsive, and user-friendly web applications. Proficient in a variety of programming languages and frameworks, including HTML, CSS, JavaScript, React and Python. Proven ability to lead and manage development teams, as well as effectively communicate and collaborate with cross-functional teams.

Experience

Senior Front End Developer Solution Social Network	03/2022 to 12/2022 Delaware, US
---	--

- Developed and maintained several web applications using React and Redux.
- Improved web application performance by optimizing component re-rendering and implementing lazy loading.
- Implemented unit and integration testing using Jest and Enzyme to ensure the reliability and maintainability of the applications.
- Implemented new features and functionality based on user feedback and business requirements.
- Collaborated with designers, backend developers, and product managers to define and implement solutions.
- Worked closely with the design team to implement UI/UX improvements and new features.
- Mentored junior developers on the team and led code reviews.

Senior Front End Developer Ishema Hub	08/2021 to 11/2022 Kigali, RW
--	--

- Contributed to the development of multiple web applications, including the company's e-commerce platform and customer service portal.
- Implemented various features using React, including a fully functional shopping cart and a dynamic product recommendation system.
- Improved the overall user experience by implementing responsive design and optimizing the application for performance.
- Implemented a custom state management solution using Redux, improving application performance by 25%.
- Utilized JavaScript, Node.js, and Python on the backend, and React on the frontend to build a seamless and responsive user experience.
- Built and maintained multiple React applications, resulting in a 20% increase in customer satisfaction.

Education and Training

Bachelor of Science: Computer Science Adventist University of Central Africa	03/2022 Kigali, RW
